

JP Brett & Sons Air Conditioning Named Collier County Business of the Month for October 2019

NAPLES, FL (Oct. 15, 2019) – The Greater Naples Chamber of Commerce and the Board of Collier County Commissioners selected JP Brett & Sons Air Conditioning as the Business of the Month for October 2019.

Each month, the award is presented to an organization that has enhanced the community through financial, volunteer and active involvement in organizations and programs that creates a better quality of life for all citizens in Collier County.

The Board of Collier County Commissioners and Bethany Sawyer, director of membership at the Greater Naples Chamber, presented President Dan Brett, Corporate Treasurer Casey Merriam and Corporate Secretary Krystal Casey with a commemorative plaque on Oct. 8 at the County Commission meeting.

“Thank you, Collier County, for allowing us the honor to receive such a prestigious award,” said Casey. “Over these years we’ve strived to treat each customer with honesty and provide them with quality services and products in a profitable manner. Receiving this award is confirmation we are doing what is right, fair and just.”

For over 45 years, JP Brett & Sons Air Conditioning has provided comprehensive heating, ventilation and air conditioning (HVAC) services to southwest Florida. The family-owned and operated company conducts itself according to its core values: value and integrity.

JP Brett & Sons Air Conditioning has made many contributions to the local community in Collier County. This year, the company participated in Collier County Public Schools’ “Build My Future” event, a workforce development experience dedicated to connecting, engaging and inspiring the next generation of workers with hands-on activities and interactive learning. JP Brett & Sons Air Conditioning engaged with hundreds of high school students discussing job opportunities in the HVAC trade industry and built an interactive display board to demonstrate the essential functions of an air conditioning system.

JP Brett & Sons Air Conditioning is also dedicated to volunteering its time and resources to meet needs in the community. In recent months, it has partnered with St. Matthew’s House to complete its second annual food drive, donated air conditioning equipment to Lorenzo Walker Technical School, volunteered with The Salvation Army of Naples and sponsored numerous charity golf tournaments in Collier County.
